### Description

This 2018 Mazda3 SKYACTIV-G Sport Black is a standout choice with remarkably low mileage for its age, having covered just 37,583 miles. As a Euro 6 compliant model, it features a responsive 2.0 litre petrol engine, offering an engaging driving experience with acceleration from 0 to 62 miles per hour in 8.9 seconds. This Sport Black trim level comes equipped with desirable features such as a heated steering wheel for added comfort on colder days and a reversing camera to assist with parking. The Mazda3 SKYACTIV-G Sport Black also impresses with its practical aspects, boasting large boot space perfect for luggage or shopping. Its fuel economy is a significant highlight, achieving an impressive 55 miles per gallon, which indicates it is more economical than many similar vehicles. Furthermore, its low insurance group rating suggests that running costs will be more affordable compared to other cars in its class,

making it a sensible and appealing option.
