### Description

With exceptionally low mileage for its age, this 2022 Isuzu D-Max is a rare find. As a TD V-Cross variant with the V-Cross trim, this vehicle is equipped with a 1.9L diesel engine and a four-wheel-drive drivetrain. It meets Euro 6 emission standards and comes with the added assurance of being Isuzu manufacturer approved. Enjoy the comfort of heated front seats and the convenience of automatic headlights. The inclusion of dual-zone climate control ensures a pleasant environment, while Bluetooth connectivity keeps you connected on the go. Adaptive cruise control enhances your driving experience, making long journeys more relaxing. The features of this particular Isuzu D-Max set it apart from similar vehicles. The heated seats offer superior comfort during colder months, and the automatic headlights provide added

safety and convenience. The dual-zone climate control allows both the driver and passenger to set their preferred temperatures, ensuring a comfortable ride for everyone. Bluetooth connectivity enables hands-free calling and audio streaming, while adaptive cruise control maintains a safe distance from the vehicle ahead, reducing driver fatigue on long trips.
