Description

With only 18570 miles on the clock, this 2022 Vauxhall Crossland is in great condition for its age. As part of the Elite Edition trim, this Crossland comes with a responsive 1.2L petrol engine and complies with Euro 6 emission standards. The car includes LED headlights with automatic lighting control, ensuring enhanced visibility and safety on the road. This Crossland Turbo Elite Edition combines practicality with modern features, making it an excellent choice for discerning drivers. This vehicle stands out with its impressive fuel economy, achieving around 50 mpg, meaning fewer trips to the petrol station and reduced running costs. Furthermore, it boasts low CO2 emissions, making it a more environmentally friendly option compared to similar cars. The car can accelerate from 0-60mph in just 9.5 seconds,

offering a blend of efficiency and performance for everyday driving. This car is available now to reserve online via our website from as little as a £99 deposit or simply call one of our friendly sales team today! We can sort out all of your finances for your new car remotely over the phone while you relax in the comfort of your own home. We welcome your old car as part exchange. We can also arrange for home delivery with our 14 day money back guarantee.
