Description

This 2014 Mazda MX-5 i Sport Venture is a truly special find, boasting exceptionally low mileage for its age at just 39,136 miles. As a Mazda manufacturer approved vehicle, you can be assured of its quality and care. This particular model is powered by a responsive 1.8 litre petrol engine, offering an engaging driving experience. The Sport Venture trim level adds a touch of refinement and exclusivity to this already desirable convertible. The low insurance group for this MX-5 is a significant advantage, making it an economical choice for many drivers. This, combined with its remarkably low mileage and manufacturer approval, clearly sets it apart from other vehicles of its kind. It represents a superb opportunity to own a well maintained and cherished example of the

iconic Mazda MX-5.
